SAMPLE SUMMARY

The Haj journey

What does the Haj journey look like for Singaporean pilgrims? This map highlights the key practices along the way.

1 Arrive in Makkah

- Enter the state of **ihram** and set intention for umrah

- Perform **tawaf*** around the Kaabah

- Perform **sa'i** between the hills of Safa and Marwa, followed by tahallul

2 8 Zulhijjah - Day of Tarwiyah

- Enter the state of ihram and set intention for Haj
- Proceed to Mina and stay overnight

3 9 Zulhijjah - Day of Arafah

- Leave Mina and spend the day in Arafah for **wuquf**, making a lot of dua to Allah s.w.t

4 Eve of Aidiladha

- Pass through Muzdalifah after Maghrib while doing talbiyah, dzikr and dua

5 10 Zulhijjah - Day of Aidiladha

- Proceed to Mina to perform the **ritual pelting of Jamratul-Aqabah**
- **Trim the hair**, marking the first tahallul to exit ihram

6 11 to 13 Zulhijjah - Days of Tasyriq

- Perform the ritual pelting of Jamarat again in Mina
- Return to Kaabah and perform **tawaf ifadhah** and **Haj sa'i,** marking the second tahallul and completing the Haj journey
- Farewell **tawaf (wada*)**

*This guide follows the steps of Haji Tamattu', the most common type performed by Singaporean pilgrims. Ritual sequences may differ for those performing Haji Ifrad or Haji Qiran.
